You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Diggin' the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music
Getting in the swing
You come to look for a king

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine

You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Diggin' the dancing queen

You're a teaser, you turn 'em on
Leave 'em burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine

You can dance, you can jive
Having the time of your life
See that girl, watch that scene
Diggin' the dancing queen

See that girl, watch that scene
Diggin' the dancing queen
