I work all night, I work all day
To pay the bills I have to pay, ain't it sad?
And still there never seems to be
A single penny left for me, that's too bad

In my dreams, I have a plan
If I got me a wealthy man
I wouldn't have to work at all
I'd fool around and have a ball

Money, money, money, must be funny
In a rich man's world
Money, money, money, always sunny
In a rich man's world

All the things I could do
If I had a little money
It's a rich man's world
It's a rich man's world

A man like that is hard to find
But I can't get him off my mind, ain't it sad?
And if he happens to be free
I bet he wouldn't fancy me, that's too bad

So I must leave, I'll have to go
To Las Vegas or Monaco
And win a fortune in a game
My life would never be the same

Money, money, money, must be funny
In a rich man's world
Money, money, money, always sunny
In a rich man's world

All the things, I could do
If I had a little money
It's a rich man's world

Money, money, money, must be funny
In a rich man's world
Money, money, money, always sunny

In a rich man's world

All the things, I could do
If I had a little money
It's a rich man's world
It's a rich man's world
