I like to think

I like to think about it

Well thinkin's always better than the doin'

But in this case I'm pursu-uin'

I'd like to talk about actio-io-ion

Action, actio-ion

Wouldn't you like to show some inspiration

Actio-ion, actio-ion

How can I get you to show me some inspiration

'Cause I think the time has co-ome

To show a little bit about yourse-elf

Don't you know you're a breeze to be near

And I just want to hear your side of the story

And I'm in need of a little favour

I want some action, actio-ion

Wouldn't you like to show some inspiration

Actio-ion, actio-ion

How can I get you to show me some inspiratio-ion

Boo-ba-de-do-ba-bow, boo-ba-de-do-ba-bow

Boo-ba-de-do-ba-bow, boo-ba-de-do-ba-bow

Action (action, action)

Wouldn't you like to show some inspiration

(Action) actio-ion, (action) actio-ion (action)

How can I get you to show me some inspiratio-ion

I like to think

I like to think abou-out it

(I-I need some) action (action) actio-ion (action)

Wouldn't you like to show some inspiration (action)

Actio-io-ion (action), actio-ion (action)

How can I get you to show me some inspiratio-ion

(action)

Actio-io-ion, actio-ion (action)

How can I get you to show me some inspiration (action)

Actio-ion (action), actio-ion (action), how can I

You can show me, c'mon show me

Show me, show me, show me

Hey! Hey! Hey! Hey!...
