"Clean Break"

Make it a clean break
Make it a fast cut
Don't wanna feel the ache
Don't wanna keep the rush

Cut to me
I don't need anymore
Can go
Don't bother with the table
We can do it on the floor
God knows I am sure

Make it a clean break
Make it a fast cute
Don't wanna feel the ache
Don't wanna keep the rush

Don't need more anesthetic
Oh
And no more laughing gas
Jut sterilize the scalpel and let's get this over with
We can muscle this in sex

As I come to I still feel you creeping in my skin
It's back I lie under the knife and start over again
Cannot buy no vitamins

Make it a clean break
Make it a fast cut
Don't wanna feel the ache
Don't wanna feel the rush

Make it a clean break
Make it a fast cut
Don't wanna feel the ache
Don't wanna feel the rush

Make it a clean break
Make it a fast cut
Don't wanna feel the ache
Don't wanna feel the rush
