I was like, "Good gracious  
Ass is bodacious"  
(Uh)  
Flirtatcious  
Trying to show patience  
Waiting for the right time to shoot my steam  
Waiting for the right time to flash them keys

And  
Um  
I'm leaving  
Please believe in  
(Oh)  
Me and the rest of my heathens  
Check it  
Got it locked at the top of the Four Seasons  
Penthouse  
Roof top  
Birds I'm feeding

No deceiving  
Nothing up my sleeve and  
No teasing  
I need you to get up  
Up on the dance floor  
Give that man what he asking for

'Cause I feel like busting loose and I feel like touching  
you  
(Uh)  
(Uh)  
Can't nobody stop the juice so baby tell me what's the  
use

I said  
It's getting hot in here so take off all your clothes  
We are getting so hot  
We're gonna take my clothes off

It's getting hot in here so take off all your clothes  
We are getting so hot

We're gonna take my clothes off

Why you at the bar if you ain't popping the bottles

What good is all the fame if you ain't

(Ah)

The models

I see you driving

Sportscar

Ain't hitting the throttle

And I be down and do a 100

Top down and goggles

Get off the freeway

Exit 106 and parked it

Ash tray

Flip gate

Time to spark it

Gucci collar for dollar

Got out and walked it

Spit game 'cause baby I can't talk it

Warm

Sweating

It's hot up in this joint

Vokal tanktop on at this point

You're with a winner so baby you can't lose

I got secrets

Can't leave Cancun

So take it off like you're home alone

You know dance in front your mirror while you're on the  
phone

Checking your reflection and telling your best friend

Like "Girl

I think my butt getting big"

It's getting hot in here so take off all your clothes

We are getting so hot

We're gonna take my clothes off

It's getting hot in here so take off all your clothes

We are getting so hot

We're gonna take my clothes off

Mix a little bit a

Ah

Ah

With a little bit a

Ah

Ah

(Jenny just fall out)

Stop pacing  
Time wastin  
I gotta a friend with a pole in the basement  
(What)  
I'm just kiddin like Jason  
(Oh)  
Unless you gon' do it

Extra  
Extra  
Spread the news  
Check out  
Jenny took a trip from the Lunar to Neptune  
Came back with something thicker than fitting in  
Sasoons  
Say she like to think about cutting in restrooms

It's getting hot in here so take off all your clothes  
We are getting so hot  
We're gonna take my clothes off

It's getting hot in here so take off all your clothes  
We are getting so hot  
We're gonna take my clothes off

It's getting hot in here so take off all your clothes  
It's getting hot in here so take off all your clothes
