Come on come on  
Come on come on  
Didn't I make you feel  
You were the only man  
Mmmm and didn't I give you everything  
That a woman possibly can  
You know I did  
Each time I tell myself  
That I think I've had enough  
I'm gonna show you  
A woman can be tough  
CHORUS:  
I want you to come on come on  
come on come on hey (take it)  
Take another little piece of my heart now baby (break  
it)  
Break another little piece of my heart now baby (have  
a)  
Have another little piece of my heart now baby  
You know you've got it  
If it makes you feel good  
You're out on the street looking good  
Deep down in your heart  
I guess you know it just ain't right  
Now you can hear me when you cry  
I cry all the time  
Each time I tell myself that I can't stand the pain  
But when you hold me in your arms  
And I feel it once again  
(chorus)  
You know you've got it  
If it makes you feel good  
If it makes you feel  
You're out on the street  
And deep down in your heart I guess  
You know it just ain't right  
Yeah yeah yeah  
(chorus)  
You know you've got it yeah  
You know you've got it  
Take another little piece of my heart now baby

Youve got to break another piece  
Break another piece break another piece  
Of my heart agin  
You know youve got it  
You know youve got it  
If it makes you feel good
