Whenever I - am feelin' this way-ay
Sometimes I find it too har-ard, To speak my mi-ind
This heart is like a teacher
Ooooh, you're gonna get hur-urt
You're gonna get hurt
Whenever I - see that you're right
Sometimes I find it so har-ard
To say I was wro-ong (to say I was wrong)
This heart is like a teacher
Ooooh, you're gonna get hur-urt (let me tell you
somethi-in')

You're gonna get hurt (I wanna tell you somethi-in')
What are you looking for, your world is in your hand
And you know just where your standin'
By the way your heart's unfoldin'
What are you searching for, your life is in your hands
And you know just where you're standin'
By the way your life's unfoldin'
Whenever I (whenever I) - am hurtin' insi-ide (hurtin'
inside)
Sometimes I wonder (woh-oh-oh wonder)
Why I can't hi-ide (I can't hide)
This heart is like a teacher
Ooooh, you're gonna get hurt (let me tell you somethi-
in')

Yeah you're gonna get hurt (I wanna tell you somethi-
in')

What are you looking for, your world is in your hand
And you know just where you're standin'
By the way your life's unfoldin'
What are you searchin' for, your life is in your hands
And you know just where you're standin'
By the way your life's unfoldin'
Ooooh, you're gonna get hur-ur-urt
I said you're gonna get hurt (let me tell you somethi-in')
Ooooh, you're gonna get hur-urt (I wanna tell you
somethi-in')

You're gonna, You're gonna, You're gonna, baby
I said, I said you're gonna get hurt (fade)
