I have got so much to give
I swear I do
I may not have nine lives
But this one feels brand new

Yes I've lived a good one
I've tried to be true
There are some things I never realized
'Til I met you

How the wind feels on my cheeks
When I'm barking at the moon

There is no home like the one you've got
'Cause that home belongs to you

Ooh ooh
Here I come
Ooh ooh
Back to you

There is no home like the one you've got
'Cause that home belongs to you

Well I was in trouble bad
I was so confused
I may not see in color, babe
But I sure can feel blue

I have been a lot of things
They may not all be true
My experience was so mysterious
'Til I met you

Now the sun will rise in the east
But I'm barking at the moon

There is no home like the one you've got
'Cause that home belongs to you

Ooh ooh

Here I come
Ooh ooh
Back to you

There is no home like the one you've got
'Cause that home belongs to you
There is no home like the one you've got
'Cause that home belongs to you

There is no home like the one you've got
'Cause that home belongs to you
