#### VERSE 1:

Where do they get off telling you

that I am not the least bit into

Just tell me how the hell the can tell you they know  
what's in my heart

What do they get from telling you

that I don't give a damn about you

Just tell me why the hell somebody wants to tear your  
heart apart

#### BRIDGE:

Oh why, oh why, oh why, oh why, oh why

Why do some people have to tell you lies

I know, I know, I know, I know, I know

I love you more than words could ever show

I can't,, I can't, I can't, I can't explain

Why do some people have to be that way

I can't take much more, I can't ignore

I have to let you know what's in my heart

#### CHORUS:

If I never ever say that I love you

Just remember, girl, I'm saying I do

You should know that from this moment you are always

in my heart

If I never ever say that I love you

Just remember, girl, I'm saying I do

love you

You'll be always in my heart

VERSE 2:

They're not the ones to be there for you

When you need someone to turn to

They won't be anywhere, be anywhere when things  
start falling down

Oh, yeah

They're only in it to confuse you

So they can turn around and use you

But it can't happen, it won't happen girl as long as I'm  
around

BRIDGE

CHORUS

Oh, why

Why, why, why

Yeah

Why did you have to listen to the lies

Oh, girl

My sweet girl

Well, there is only you inside my world

Oh, please

Baby, please

I wish you could believe in me

Right now

Right now

If only you could know

CHORUS
