VERSE 1:

Last night I

I saw you standing

I started

Started pretending

I knew you

You knew me too

And just like a baby I could not talk

I tried to come close but could not walk

Now I think of it every night

How I just could not get it right

Ooh, next

next time you come my way

I'll know just what to say

CHORUS:

Can we talk for a minute

Girl I want to know your name

Can we talk for a minute

Girl I want to know your name

VERSE 2:

I started

to write you a letter

But I wanted

to be more clever

I wanted to get down and sweet talk you

Hey, baby

But just like a Roni you were too shy

But you weren't the only one, so was I

Girl if

we should come close again

I know what I'll say then

CHORUS

Oh, girl

One more chance

with you again

I will not let it go

Ooh, babe

Give me just one more chance

For love, love, love, love

CHORUS

Can we talk for a minute

Come on and talk to me baby

Say I wanna know

Well, come and tell me your name baby

I said talk to me for a minute

Come on and talk for a minute

I wanna know, I wanna know

I wanna know your name

(Ad lib out.
