Baby, it was uncool to love me
and leave me standing here now,
without a goodbye
and maybe, I am the fool
you call me, 'cause I'll be here
standing, waiting, to hear you say to me.

2X I'm ready(girl i'm ready)
to love you(to love)
Forever(forever)
Hey girl now, come love me forever more.

Sometimes, when I'm alone, I feel sad
'cause I know you'll leave me
once again, and take my pride.
and maybe I am the fool
you call me, 'cause i'll be here
standing, waiting, to hear you say to me, yeah

chorus

and once again, I'll be right here
waiting to share your love
Casu I know he's not the one
who'll forever be in love

chorus
