**CHORUS:**

Shhh

Break it down

I don't want nobody else to hear the sound

This love is a private affair

Interrupt the flow

No they'd better not dare

Ya' gotta break it on down

**VERSE 1:**

In the daytime

Uh-uh

I think not

I'd rather do you after school like some homework

Oh, am I getting you hot

In the bedroom

No

'Cause then we'd have to stop

I'd rather wait 'til everyone's fast asleep

then do it in the kitchen on the table top, Oh!

Ya' gotta' break it on down

**CHORUS**

VERSE 2:

Candlelight

No

I don't think so

The crackle of the flame would just spoil the flow

Besides

I could be your fire, baby

Dripping all over like a ball of wax relax and let go

CHORUS

Ooh, ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh, ooh

VERSE 3:

Say you wanna slow jam

Well that's enough girl

I'd rather whisper music in your ear

That'll rock ya', rock ya', rock ya' world

Ooh

What's my name baby? (Tevin)

I'll ask you again, and again, and again, and again

Hear you screaming, screaming, screaming

Oh, oh, oh, oh, ooh, yeah!

Break it down

What's my name, baby?

Hear the sound

This is a secret

Private affair

Nobody'll know

They'd better not dare

Ooh, we gotta break it on down, and down, and down

Ooh, we gotta break it on down

I you feel it let's ready and go

CHORUS
