Come on come on
Come on come on
Didn't I make you feel
You were the only man
Mmmm and didnt I give you everything
That a woman possibly can
You know I did
Each time I tell myself
That I think Ive had enough
Im gonna show you
A woman can be tough
CHORUS:
I want you to come on come on
come on come on hey (take it)
Take another little piece of my heart now baby (break
it)
Break another little piece of my heart now baby (have
a)
Have another little piece of my heart now baby
You know you've got it
If it makes you feel good
You're out on the street looking good
Deep down in your heart
I guess you know it just aint right

Now you can hear me when you cry
I cry all the time
Each time I tell myself that I cant stand the pain
But when you hold me in your arms
And I feel it once again
(chorus)
You know you've got it
If it makes you feel good
If it makes you feel
Youre out on the street
And deep down in your heart I guess
You know it just aint right
Yeah yeah yeah
(chorus)
You know youve got it yeah
You know youve got it
Take another little piece of my heart now baby

Youve got to break another piece
Break another piece break another piece
Of my heart agin
You know youve got it
You know youve got it
If it makes you feel good
