You're back again but I'm so sorry, it's too late
You've got behind, you're somewhere back in '68
Mmm
I guess it goes to show how wrong a girl can be
I'm standing right in front of you
You can't see me

Tears
I feel them on my cheeks
Tears
I've been this way for weeks
Tears
I'm back here at the start
Tears
Tearing me apart

You said you were an agency for paradise
I went along, it slipped my mind to check the price

Tears
I feel them on my cheeks
Tears
I've been this way for weeks
Tears
I'm back here at the start
Tears
Tearing me apart

You say you love me still, it's a lie
You say you always will, tell me why
All you ever do is make me cry

Tears
If this is love I'd like to kick it

Tears
You've picked me up so you can put me down again
Don't ya know, don't ya know, don't you know
I guess it must be true those things they say about men

They're all around they try to tell me it's ok
Yeah

They way I feel, I'd like to push them all away

Tears

I feel them on my cheeks

Tears

I've been this way for weeks

Tears

I'm back here at the start

Tears

Tearing me apart

Tears

Oh I feel them on my cheeks

Tears

And I've been this way for weeks

I fell the rolling down, they're rolling down, they're
rolling down my cheeks

Oh yeah

If you want love, if you want love

You got to look in the right place else,

If you want love, if you want love

You can't break my heart

You can't break my heart

If you want love, if you want love

I can feel it dying through you

If you want love, if you want love

You got to love, you got to love
