if i didn't know  
i couldn't want you  
if i didn't know  
i couldn't want you  
if i didn't know  
i couldn't want you more

monday morning  
back to work, just like you said  
if i keep moving  
then i wont be counted, dead, dead

grease the hinges  
but they still refuse to budge  
ceiling changes  
if i wait for long enough

something's lost when i translate you  
think i have it, then it slips through  
decoding you has proved the hardest thing  
i know you love me, if it starts to sting

if i didn't know  
i couldn't want you  
if i didn't know  
i couldn't want you  
if i didn't know  
i couldn't want you more

friday evening and the drinks we pass around  
you said 'jenny, you look better on the ground'  
my name spells emergency  
quick darling make me hurt  
i'm begging you on scabbed knees  
and swallowing your dirt  
dirt

something's lost when i translate you  
think i have it, then it slips through  
decoding you has proved the hardest thing  
i know you love me, if it starts to sting

if i didn't know  
i couldn't want you  
if i didn't know  
i couldn't want you  
if i didn't know  
i couldn't want you more

if i didn't know  
(if i didn't know)  
i couldn't want you  
if i didn't know  
(if i didn't know)  
i couldn't want you  
if i didn't know  
(if i didn't know)  
i couldn't want you more

if i didn't know  
i couldn't want you more
