He good to me  
He treat me right  
I'm wined and dined  
Almost every night  
I've heard it said  
My man's been bad  
Has guilty, he's scandalous

Refrain:  
But to me, he's so appealing  
I love this mysterious feeling  
Ignore the life he's leading  
They say I don't know what I'm doing

Chorus:  
What they don't know  
He makes me feel alive  
I love the danger in his eyes (in his eyes)  
What they don't know  
I don't mind his lies (I'm treated right)  
By my devil in disguise

He meets me at  
The strangest times  
Makes love to me  
But never spend the night  
When he's around I feel so safe  
Don't care what they say I'm not afraid (I'm not afraid)

Refrain:  
But to me, he's so appealing  
I love this mysterious feeling  
Ignore the life he's leading  
They say I don't know what I'm doing

Chorus:  
What they don't know  
He makes me feel alive  
I love the danger in his eyes (in his eyes)  
What they don't know  
I don't mind his lies (I'm treated right)

By my devil in disguise

(Instrumental)

Refrain:

But to me, he's so appealing  
I love this mysterious feeling  
Ignore the life he's leading  
They say I don't know what I'm doing

Mysterious, I don't have the time  
To let them change my mind  
Mysterious, he makes me feel alive..

Chorus:

What they don't know  
He makes me feel alive  
I love the danger in his eyes (in his eyes)  
What they don't know  
I don't mind his lies (I'm treated right)  
By my devil in disguise
