I love you most when we share a phase
Of those special good times together
It seems like our love can't get much better, no..ohhh

Cause we were as close as two could be
'Knew love could last forever
We're more than just lovers,
We're good friends

And even if our love
Could drift away
I wouldn't even think twice
If I wanted love back again

Chorus:
Because I'd still say yes to you again
My Darling for you I'd do it all again
Yes, I'd still say yes to you again
Darling for you
I'd do it over and over again

Where does it go, how does it end
True love it seems so easy
'Cuz we have no doubts
Where we belong

Refrain:
They say time can heal a broken heart
And true love never ends
So why not start where we begin

Chorus:
Because I'd still say yes to you again
My Darling for you I'd do it all again
Yes, I'd still say yes to you again
Darling for you
I'd do it over and over again

(Because I'd still say yes to you again) oohh..
(My Darling for you I'd do it all again) haa..ahhh..
(Yes, I'd still say yes to you again) over again.. ohh..

(Darling for you) over, and over
(I'd do it over and over again)

Refrain:

They say time can heal a broken heart
And true love never ends
So why not start where we begin

Chorus:

(Because I'd still say yes to you again)
(My Darling for you I'd do it all again)
Yes, I'd still say yes to you again
Darling for you
I'd do it over and over again

Yeah,
I do it all for you again
Yeah,
