Two old friends meet again
Wearin older faces
And talk about the places they've been
Two old sweethearts who fell apart
Somewhere long ago
How are they to know
Someday they'd meet again
And have a need for more than reminiscin'

Chorus:

Maybe this time
It'll be lovin they'll find
Maybe now they can be more than just friends
Shes back in his life
And it feels so right
Maybe this time, love won't end

It's the same old feeling back again
It's the one that they had way back when
They were too young to know when love is real
Somehow, some things never change
And even time hasn't cooled the flame
Its burnin even brighter than it did before
Got another chance, and if they take it

Chorus:

Maybe this time
It'll be lovin they'll find
Maybe now they can be more than just friends
She's back in his life
And it feels so right
Maybe this time, this time love won't end

Bridge:

Shes smilin like she used to smile way back then
Shes feelin like she used to feel way back when
They tried, but somethin kept them
Waiting for this magic moment

Chorus II:

Maybe this time

It'll be lovin they'll find
Maybe now they can be more than just friends
She's back in his life
And it feels so right
Maybe this time, maybe this time
(Maybe this time)
Maybe this time, love won't end
Love won't end
