Now, I don't want to lose you, but I don't want to use
you
just to have somebody by my side.
And I don't want to hate you,
I don't want to take you, but I don't want to be the one
to cry.

And that don't really matter to anyone anymore.
But like a fool I keep losing my place
And I keep seeing you walk through that door.

Chorus:

There's a danger in loving somebody too much,
And it's sad when you know it's your heart you can't
trust.
There's a reason why people don't stay where they are.
Baby, sometimes, love just ain't enough.

Now, I could never change you, I don't want to blame
you.
Baby, you don't have to take the fall.
Yes, I may have hurt you, but I did not desert you.
Maybe I just want to have it all.

It makes a sound like thunder, it makes me feel like
rain.
And like a fool who will never see the truth,
I keep thinking something's gonna change.

Chorus:

There's a danger in loving somebody too much,
And it's sad when you know it's your heart you can't
trust.
There's a reason why people don't stay where they are.
Baby, sometimes, love just ain't enough.

And there's no way home, when it's late at night and
you're all alone.
Are there things that you wanted to say?
Do you feel me beside you in your bed,
There beside you, where I used to lay?

And there's a danger in loving somebody too much,
and it's sad when you know it's your heart they can't
touch.

There's a reason why people don't stay who they are.
Baby, sometimes, love just ain't enough.

Chorus:

But there's a danger in loving somebody too much,
And it's sad when you know it's your heart you can't
trust.

There's a reason why people don't stay where they are.
Baby, sometimes, love just ain't enough.

Baby, sometimes, love... just ain't enough.
