Hey! (Oh)

Empty letters in the sun.
I know you've had your share. (Hey)
I'm bleeding over balconies. (You! Hey! You!)
I don't know you know we've too. (Hey You! Hey! You!)
I don't know you know we've too. (Hey)
I know you know we've too.
You always do.
You always do.

Ah

Empty letters in the sun.
Empty letters in the sun.
And I'm bleeding over balconies.
I'm bleeding over balconies.
I'm bleeding over balconies.

As old black man pace down sidewalk
As I walk through these city streets
to find something that's just not me
Oh god, it's all turning to fashion
what happened to passion?
Oh god, it's all turning to fashion,
what happened to passion?
Oh god.

Oh yeah!

Empty letters in the sun.
And I'm bleeding over balconies.

So did your father hit you when your down?
It tastes like water when you drown

Empty letters in the sun.
The sun, oh no.
The sun, oh no.
The sun, oh no.
The sun, oh no.

(Empty letters in the sun!)

Empty letters in the sun.

Empty letters in the sun.

[screams]

Ahhhh

As old black man pace down sidewalk

As old black man pace down sidewalk

Oh
