Jaime had the scent all over town
Jaime had no friends she let them down

Oh she was so charming
Oh she was so starving
Such a charming child
Such a starving child

She had all she could
And she couldnt take anymore
She had all she could
She was tired of setting herself

Jamie wrote her name all over the wall
Jamie had no feelings she let them fall

Oh she was so charming
[that's all that she's good for]
Oh she was so starving
[that's all that she's good for]
Such a starving child
[that's all that she's good for]
Such a charming child
[that's all that she's good for]

Oh she had all she could

And she couldnt take anymore
She had all she could
She was tired of setting herself
And dont you know it comes
