I saw on TV about this little kid
Who had to pay for a pet
His mom had once been attacked by a dog
So a pig was the closest thing he could get

This has of course nothing to do with anything
I just get so nervous when I'm talking to you
All I think about everyday is just kissing you
Now a feeling that feels refreshingly new

Kanske Å,,r Jag KÅr I Dig

I offered you some chocolate
You declined so sweetly and commented on my jacket
"It makes you look like a lumberjack, but are you man
enough to wear it?"
I said, "It used to be my grand-grandfather's; would
could I do but inherit it?"

My words are just c-c-c-coming out wrong
I sure could use a little help
I think I'm gonna drop my cool now
The best way to touch your heart is to make an ass of
myself
