there's a reason  
why I have a picture of Mick Jagger above my bed

it's there to remind me  
that the people all buy resistant shoes  
so I think these people hate the blues

run sisters, join me  
if you hate me there's no problem  
in fact that's all I asked for  
when you joined our little gang

'cause there's a thousand things I do  
rather than spending time with you  
'cause there's a thousand things I do  
rather than spending time with you

[People who hate people, come together]  
[People who hate people, come together]  
[People who hate people, come together]  
[People who hate people, come together]  
[People who hate people, come together]

kicks, I get  
when I listen to Bill Hicks  
chicks, I get  
if I stop my baby, I won't

'cause there's a thousand things I do  
rather than spending time with you  
'cause there's a thousand things I do  
rather than spending time with you

[People who hate people, come together]  
[People who hate people, come together]  
[People who hate people, come together]  
[People who hate people, come together]
