If it's raised, it means yes,
If it's not it means take a guess
Hey! You! Stop kicking my legs
I'm doing my best
can you pass the eggs

Your father puts on my record
he sais: so tell me how you met her
I get embarrassed and change the subject
and put my hand on some metal object
He laughs and says that's a liedetector

he Takes out the booklet and starts reading
So i heard you're moving out next season
I say: Yeah, New York is nice that time of year
almost as green as it is here
He says: I thought you were moving to Sweden?

Oh God, what have I done?
i came to Berlin to have som fun

then it turned into buffalo 66
on your fathers wall a big crucifix
guess thats why he wont let u go
his catholic heart is big and slow
you know I'll do anything for love
but Nina what were you thinking of?

But Nina I can be your boyfriend
So you can stay with your girlfriend
Your father is mailing me all the time
He says he just wants to say hi
I send back "out of office, auto-replies"

Nina I just want to check in
'cause I think about you every second
So I send you this postcard just to say
Don't let anyone stand in your way
Yours truly, Jens Lekman

Don't let anyone stand in your way

Don't let anyone stand in your way
Don't let anyone stand in your way
Don't let anyone stand in your way
