## "Mysterious"

Ah..  
Say what  
Say who  
Ah..  
Say what  
Say who  
Aahh! Do it!

I hope you standin' next to the speaker  
I hope you know that my style is gettin' sleeker  
What? I'm wigglin' my crotch on the stage  
And I makin' the men them feel she's hot  
She's hot  
I got nothin' to do with you  
Why you tryin' to hate  
Just learn to appreciate  
Me, I'm a sick MC  
Tell your friends, girlfriends  
Then start it again

Mysterious  
Up in the place  
Makes me hot when I move my ways  
Mysterious  
Up in the place  
Makes me hot when I move my ways

Hussy you seem pretty hot  
What you gonna do  
Everybody sing 'what'  
Say what (what), when I move my ways  
Say who (who), when I move my ways

Hussy you seem pretty hot  
What you gonna do  
Everybody sing 'what'  
Say what, when I move my ways  
Say who, when I move my ways

Me, with a rare done song

Bass Boo Cabin belong by Sean  
Live on stage show girls to move  
They on the dancefloor breakin' their shoes  
Lookin' at you cuz you lookin' at me  
Only one of us has been on MTV  
That's cuz I'm extraordinary  
Tell your friends, girlfriends  
Cuz I'm startin' to dance

Mysterious  
Up in the place  
Makes me hot when I walk my ways  
Mysterious  
Up in the place  
Makes me hot when I move my ways

Hussy you seem pretty hot  
What you gonna do  
Everybody sing 'what'  
Say what (what), when I move my ways  
Say who (who), when I move my ways

Hussy you seem pretty hot  
What you gonna do  
Everybody sing 'what'  
Say what (what), when I move my ways  
Say who (who), when I move my ways

Late's the party, tic tac tic tac  
Right leg forward, swing your hips, bring it back  
[?] then clap your hands  
Move on from L.A. to Japan

Hussy you seem pretty hot  
What you gonna do  
Everybody sing 'what'  
Say what (what), when I move my ways  
Say who (who), when I move my ways

Hussy you seem pretty hot  
What you gonna do  
Everybody sing 'what'  
Say what (what), when I move my ways  
Say who (who), when I move my ways

From London to NYC  
Say what, when I move my ways  
Say who, when I move my ways  
From Malibu Beach to Jamaica, y'all  
Say what, when I move my ways  
Say who, when I move my ways

Hussy you seem pretty hot  
What you gonna do  
Everybody sing 'what'  
Say what (what), when I move my ways  
Say who (who), when I move my ways

Hussy you seem pretty hot  
What you gonna do  
Everybody sing 'what'  
Say what (what), when I move my ways  
Say who (who), when I move my ways
