I've said it all today, all I have to say  
Meaningless words and clichéd yesterdays  
In my head again, I've said it better then,  
No need to argue, no need to fret  
Thought about the words I said, not the ones I meant

I've been dreaming of dreaming  
About a stranger stuck in my skin  
I've been living in secrets  
Consumed, I don't want to make believe  
I've been dreaming of you  
I've seen in a dream within a dream  
I cant believe  
Until the choice is you vs. them  
I wont wake up

Save myself from grace, same as yesterday  
No one to save you and no need to care  
This voice inside my mind, narrates, expands in time  
Strive to become the dead, reveal the life later  
Tell me all is real in this worm tapped

I've been dreaming of dreaming  
About a stranger stuck in my skin  
I've been living in secrets  
Consumed, I don't want to make believe  
I've been dreaming of you  
I've seen in a dream within a dream  
I cant believe  
Until the choice is you vs. them;  
I wont wake up to

My entire life, a giant lie, time to stretch out

I've been dreaming of dreaming  
About a stranger stuck in my skin  
I've been living in secrets  
Consumed, I don't want to make believe  
I've been dreaming of you  
I've seen in a dream within a dream  
I cant believe

Until the choice is you vs. them

I'm in a dream within a dream

I'm in a dream within a dream

I'm in a dream within a dream

I'm in a dream and I wont wake up
