Fill the blank spots in With childish gibberish What seems to be the difference As we only will digress

And I need you more today Let's talk about the government Then you walk away Don't walk away

You're so invincible So damn consumable Oh, just deliver it You're so unbeatable

You're so delectable Even though impossible Very much untouchable You're so unbeatable

Can you figure it out Develop your moment **Rejection is bliss** Ignorance is almost

And I need you more today Let's talk about the development Then you walk away Don't walk away

You're so invincible So damn consumable Oh, just deliver it You're so unbeatable

You're so delectable Even though impossible Very much untouchable You're so unbeatable

Anyway you figure it We will all die soon enough The trick is to be the first

You're so invincible So damn consumable Oh, just deliver it You're so unbeatable

You're so delectable Even though impossible Very much untouchable You're so unbeatable

And you go and you go You're so unbeatable And you go and you go You're so unbeatable
