I don't take clothes that are hand me downs  
I don't smile 'cause I wear a frown  
Once I get started you can't hold me down  
Once I get going then I go to town

'Cause I'm not like everybody else  
I'm not like everybody else  
I'm not like everybody else  
I'm not like everybody else

I don't want to walk around like everybody else  
I don't want to live my life like everybody else  
I don't want to seek around like everybody else  
'Cause I'm not like everybody else, I'm not like  
everybody else

Darling, you know that I love you true  
Confess all my sins if you want me to  
But there's just one thing I wanna say to you  
If you're gonna love me my whole life through  
And that's

I'm not like everybody else  
I'm not like everybody else  
I'm not like everybody else  
I'm not like everybody else

I don't want to walk around like everybody else  
I don't want to live my life like everybody else  
I don't want to seek around like everybody else  
'Cause I'm not like everybody else, I'm not like  
everybody else

Like everybody else, like everybody else  
Like everybody else, like everybody else

Darling, you know that I love you true  
Confess all my sins if you want me to  
But there's just one thing I wanna say to you  
If you're gonna love me my whole life through  
And that's

I'm not like everybody else  
I'm not like everybody else  
I'm not like everybody else  
I'm not like everybody else

I don't want to walk around like everybody else  
I don't want to live my life like everybody else  
I don't want to seek around like everybody else  
'Cause I'm not like everybody else, I'm not like  
everybody else

Like everybody else, like everybody else  
Like everybody else, like everybody else
