Northern California girls
Northern California girls
Northern California girls

Northern California girls say, "Baby come home now"
You don't belong there
Everybody knows this but you
Don't you miss the ocean?
Don't you miss the weather?
Don't you miss me just a little bit?
Northern California girls say, "Come home from Texas"

You could take a fast train
Baby take the next plane
You'd be home by suppertime
There ain't nobody like me
Ain't nobody like me out there

Northern California girls say, "You don't know what
you're missing"
I got a good job, stay home and play the guitar
You can raise the children barefoot on the beaches
Teach 'em how to surf and play baseball
Northern California girls say, "Come home from
Brooklyn!"

You could take a fast train
Baby take the next plane
You'd be home by suppertime
There ain't nobody like me
Ain't nobody like me out there

Northern California girls say, "Everything happens for a
reason"
You did what you had to do
Now it's time for you to come home

Northern California girls
