Lookin' out my window
i cant help think of you
oh
since you've been gone away
i've been left feeling blue

No one can take
this pain away
my hours seem to turn to days
as if i'm outta time
there's no more to lose
no more to gain
it's seems the clouds can't take the rain
cause it keeps pouring down

But to see my sunshine againnnn(to see my sunshine
again)
to see my sunshine again(to see my sunshine again)
to see my sunshine again(to see my sunshine again)
to see my sunshine again(to see my sunshine again)
ohhh

Lookin' out my window
i can't help reminisce
the times we shared
oh oh oh
Just memoriessss of u and me(of u and me)
i look up and the sky is cold
how could someone just take your soul so fast and now
you're gone

See i quit my job
i cant stop smokin'
please believe my heart is broken down

i'm all alone

But to see my sunshine againnnn(to see my sunshine
again)
to see my sunshine again(to see my sunshine again)
to see my sunshine again(to see my sunshine again)
to see my sunshine again(to see my sunshine again)

i'm tired of the dark
in need of the light
i wake up each morning
waiting for you to arrive
i'm scared of outside because
it might wash me away
wish i could open this curtain
and know i'll see you again
(i'll see you again)[Again]
if i could hold you again...
if i could feel you again...
if i could touch you again..

to see my sunshine again
just to see my sunshine again
to see my sunshine again
just to see my sunshine again
to see my sunshine again
just to see my sunshine again
to see my sunshine again
whoaa whoaa whoaa....
