Drip drop sinkin pulls me away,
What I thought I knew gets hard to say.
I always thought you'd won, but you never finished.
Guess these wounds are mine from the beginning.

I cannot live like this anymore
Waited my whole damn life
Like i did like before
And I'm tired.

And I think in time my head is down
It sticks in my mind just what you said
All the things you do to regret
I will wish it back

I can hate you like that i can hate you like that

I cannot live like this anymore
Waited my whole damn life
Like i did like before
And I'm tired.

I cannot live like this anymore
Waited my whole damn life
Like i did like before
And I'm tired.

I cannot think,
And I cannot breath
And I cannot dream,
And I cannot pull the skin from from my eyes
