Good friends tayo noong una

Caring sa pagsasama

Knowing na may aasahan ka

Whenever you need me

Feeling ko ay kay ligaya

Engagement puso ay kay sigla

Together basta at nasa piling kita

Refrain:

Then we are lovers

Flames, we were two strangers then

Puso ay nangusap at biglang umibig na

We found our love was growing stronger

Flames waiting to be with you

At habang buhay sana ay tayong dalawa

Holding hands we both will say " I DO"

Sweet hearts tanging ikaw lamang

Never kitang iiwan

Happy ligayang walang hanggan

As long as we are lovers (repeat refrain 2x)
