Even if you don't like me (like me)
I bet you'll fall in love with my ride (my ride) my ride
(my ride)
Got girls wanna be wifey (wifey)
Cause they fell in love with my ride (my ride) my ride...
ehh

Okay I pull up to da club, on them scotty pippins
You say you got dubz, well I'm thirteen mo inches
These chromed out wheels got yah'll haters out there
squintin'
When I hop in that club line, I aint lookin for no
friendships

Got twin tail pipes, custom tint up on my windows
My air vents sealed, so I never lose no indo
Who's trailing me? my kinfolk, we weavin through the
streets
And the flows like the wind, how it be breezin' through
these beats

And my seats, got my name on it
Yeah I know you aint on this
Sparkle custom paint on this
On that droptop frame on this

The grill is exclusive and the rides all implusive
The only one that's whippin' is the singer slash
producer

Say you wanna get drunk, I gotta bar up in my car
I never get bored wit foreign broads up in my car
So when it's nasty time I'm goin hard up in my car
Touch down hundred yards up in my car

Even if you don't like me (like me)
I bet you'll fall in love with my ride (my ride) my ride
(my ride)
Got girls wanna be wifey (wifey)
Cause they fell in love with my ride (my ride) my ride...
ehh

Is it the chrome up on my wheels or that base up in my trunk?

Chrome, chrome up on my wheels or that base up in my trunk?

Is it the chrome up on my wheels or that base up in my trunk?

Base, base up in my trunk

Base, base up in my trunk

Now when I'm cruisin' in my whip, damn right I crank my cds

Got three groupies on deck and they all beggin to see these

They saw the navigation system and all of my tvs

Said they boyfriends whip was better, hell naw you must be stevie

You see me, these stunner shades got me seeing 3D,
You dope boys know I'm pushin more crack then petey
Though my gas tank on e-z, I'm buyin up more wee-zy
Please believe me, you chillin wit a star-r-r
Hop in my car-r, I hit the after party (ayeee)
What goes down between us, girl I wont tell nobody
Either in my lac or in my saszaradi
Just wait till I pull into the lobby (lobby)

So even if you don't like me (like me)

I bet you'll fall in love wit my ride (my ride) my ride (my ride)

Got girls wanna be wifey (wifey)

Cause they fell in love with my ride (my ride) my ride...
ehh

Is it the chrome up on my wheels or that base up in my trunk?

Chrome, chrome up on my wheels or that base up in my trunk?

Is it the chrome up on my wheels or that base up in my trunk?

Base, base up in my trunk

Base, base up in my trunk

So if you wanna ride (ride)

Then baby we can go down town (go down town)

Girl with that pretty face (pretty face)

I might just let my windows down (my windows down)

So all my homies can see just who I get to

Ride with (ride with) ride with (ride with)

And if you ever lonely then sweet baby girl hit my
sidekick-ickk cause

Even if you don't like me (like me)
I bet you'll fall in love with my ride (my ride) my ride
(my ride)
Got girls wanna be wifey (wifey)
Cause they fell in love with my ride (my ride) my ride...
ehh

Is it the chrome up on my wheels or that base up in my
trunk?
Chrome, chrome up on my wheels or that base up in my
trunk?
Is it the chrome up on my wheels or that base up in my
trunk?
Base, base up in my trunk
Base, base base up in my trunk
