Felt your breath and heard your smile  
Shinin' eyes that light up like the sun  
Different faces I know so well  
Memories passed and new ones to be made

I know what I've done  
I know what I've said  
I don't want you to go  
It's getting so hard  
Seeing you this way, yeah

Please believe me  
Oh, to me you feel like home  
And I won't forget you  
But I need to do this on my own now

Can you admit it's been too long  
Either way I'm better off alone  
I can't see for too far, no  
I can see you right by my side

I know what I've done  
I know what I've said  
I don't want you to go  
It's getting so hard  
Seeing you this way, yeah

Please believe me  
Oh, to me you feel like home  
And I won't forget you  
But I need to do this on my own

Can you help me now, I think I'm falling  
Can you help me find my feet again  
Can you help me now, I think I'm falling out of trust

Please believe me  
Oh, to me you feel like home  
And I won't forget you  
But I need to do this on my own

I'm falling out of trust

I'm falling out of trust  
I'm falling, I'm falling  
I'm falling out of trust
