Never thought about things could be like this
Always wishing I could, sometimes I think that I should
I've always wanted much more, you're getting stuck at
the door
Don't bring me down, the sweetest words make the
sound

We can't go back now
'Cause I get pulled in by you
As things they'll wash away
That's when I'll say goodbye

Always got caught up in things like trust
There's much more time to waste, every thing's done in
such haste
I know the things that they'll do, I swore I'd never tell
You can't say no, your age is starting to show, oh yeah
It's starting to show, ooh yeah

We can't go back now
'Cause I get pulled in by you
As things they'll wash away
That's when I'll say goodbye
As things they'll wash away

Goodbye
We can't go back now
'Cause I get pulled in by you
As things they'll wash away
That's when I'll say goodbye
Goodbye, goodbye, goodbye
