I still feel your kiss on my face  
And it reminds me of you

And you're beautiful inside  
Your words are always in my heart

Hold my hand,  
Walk with me and guide me

And this time we'll talk a lot  
'Cause your whisper in my ear  
Means everything to me  
I can't believe...

And you're beautiful inside  
Your words are always in my heart

This love will last forever

And I will always love you  
I will always care

Walking hand in hand
