i'm confident , got a great sense of humor .  
im fun , im the kinda person you have fun with .

Jeremih :

if you look this good .... i wonder how it taste .  
baby if i touch your body .... hear you scream my name.  
would you whisper .. to .. me ... its yours ?  
girl you smell so gental & pure  
you controllllll , my senses .  
baby alllll my senses .

50 Cent :

its like everythings good when i touch . and you touch  
and it smells like heaven .  
way better than a true love . your love let me taste it.  
come here let me taste it . time's of the essence .  
baby don't you waste it .  
i tell you what im thinkin' ! you listen to my thoughts .  
so you could see my vision , then you'll never get lost .  
if you follow my lead , girl i'll be what you need .  
i put my trust in you , now put your trust in me .
