Want me to push up on it  
Fore she know when I'm all on it  
We get the party going liquor flowing this is fire

[Jeremih:]

Ok she headed to the dance floor and she slowly start

Something like my wrist cause everybody got to

Girl you got that secret treasure I'm gon put a lock on it  
Don't care what they say I would be stupid to be not on

And I'm gonna lick it lick it lick it  
Till her hicky have her river running  
Keep you running til you whimpy  
(Bang bang bang bang)  
Oh you look so sweet  
What you work at Bally's  
Look at your physique  
Girl you are a beauty well I am a beast  
They must have been trippin to let me off the leash

[Jeremih - Chorus:]

I love the way you grind with that booty on me  
Shorty you a dime why you looking lonely  
We'll buy another round and it's all on me  
As long as I'm around put it down on me  
Just put it down on me

Put it down on me  
Down down on me  
Put it down on me  
Don't throw it off the mound  
Show me how it's gon be

Shorty she's a perfect 10  
She rock her hips than roll her hips  
Then drop it down like it's nothin  
She shaped just like an hour glass

Time flies when I'm on that ass  
But I won't put our shit on blast  
Work it like a pro pro pro  
Sit and watch it go go go  
Do her thing all on the floor  
She bounce it fast and shake it slow  
So sexual incredible  
She beautiful she edible

I aint seen nothing better yo  
Look at how she twerk it  
The way she work it

Heaven when I'm in it in it  
If I do not fit, I'm gonna make it  
Girl you can take it  
Don't stop get it get it

Shorty you a dime why you looking lonely

Just put it down on me
