(Hook)

Early in the morning's when I think about you
I hit you like what you sayin'
And the morning when I wanna f--k you
Yeah, I hit you like what you sayin'
I could f--k you all the time
I could f--k you all the time

(Verse)

MOET

That's the fuck we sippin'
That's the fuck been drippin'
Traphouse still tippin'
Facetime when I'm gone
She give me dome from a distance
And she love to climb on top
Cause she love to walk off limpin'
Pimps up, hoes down
Legs up or toes down
Why she jock me, cause she knocked knee'd
And we got trees, so mary go around
Domino I ate her
She so sweet, now and later
I want that all the time, all the time
Imma give you all of mine.
