I thought I told yah... I'm a star
You see the ice... You see the cars
Flashy lights... Everywhere we are
Livin' like... Like it's no tomorrow

I thought I told yah... I'm a star
You see the ice... You see the cars
Flashy lights... Everywhere we are
Livin' like... Like it's no tomorrow

Ooh ooh oohhh

I got money... I don't need a range
I'm a pimp... I don't need a cane
Big bills Charlie... You could keep the change
Now that I got the torch... I'm a keep the flame
I'm a keep my aim... Gotta make the big shots
In my linen suit... Louis V flip flops
Got a bad bitch... Her hair & nails tip top
Jeremih got the game on the slipknot
Just before the stacks... I got rubberbands
Consumers only want you to supply the man
So here I am... Check my DNA
Getting money's the only thing on my resume

I thought I told yah... I'm a star
You see the ice... You see the cars
Flashy lights... Everywhere we are
Live the night... Like it's no tomorrow

Ooh ooh oohhh

I thought I told yah... I'm a star
You see the ice... You see the cars
Flashy lights... Everywhere we are
Live the night... Like it's no tomorrow
Ooh ooh oohhh

Like the dealer ship, I got beaucoup cars
Penitentiary, I keep beaucoup bars
Flow so hot. Fried in beaucoup lard
Hollywood ground, I got beaucoup stars

Don't need Roger Ebert or the paparazzi
Take on the red at the county stop me
I hit hella licks. man hella stagin'
Hit the the weed man. So I can get in touch with Mary
Jane
You're a Scorpio? Girl get over here
Grab me all night. Like you came to Paul Revere
Kissing on my neck. Nibbling on my ear
You say you wanna chill. Go head and have a beer

I thought I told yah... I'm a star
You see the ice... You see the cars
Flashy lights... Everywhere we are
Live the night... Like it's no tomorrow

Ooh ooh oohhh

I thought I told yah... I'm a star
You see the ice... You see the cars
Flashy lights... Everywhere we are
Live the night... Like it's no tomorrow

Ooh ooh oohhh

Now if you back it up, shawty I'm a stack it up
If you back it up, shwaty I'm a stack it up
I'm a stack it up, but only if you back it up

Flashy lights(Ohhh ohhh ohh ohh ohh)
Everywhere we are(ohh ohh ohh)
Everywhere we are(ohh ohh ohh)

Flashy lights(Ohhh ohhh ohh ohh ohh)
Everywhere we are(ohh ohh ohh)

Okay. Now I be ballin'
I. I. I be. I be ballin'
You can catch me in the air. air
I be ballin'
When I'm tryna grab some gear. gear...
I be mallin'
In the middle of the club...
Wth 1 dolla u call it
Either the camera's clickin' or the police clockin'
'Specially at the end of the month
When it's just not an option
Now they got that spotlight on me
Why they put that on me
Now I'm never lonely
'Cause everywhere I go it's...

Flashy lights(Ohhh ohhh ohh ohh ohh)
Everywhere we are(ohh ohh ohh)
Everywhere we are(ohh ohh ohh)

Flashy lights(Ohhh ohhh ohh ohh ohh)
Everywhere we are(ohh ohh ohh)
Everywhere we are(ohh ohh ohh)
