(Hook)

Let me down easy  
Oh your love for me it's gone  
Let me down easy  
Said you feel just you were wrong  
I know you don't love me

(Verse)

Big ligaments are in my with the soco  
Plus I keep the pussy in a low post  
Shawty said she want it in the fanny  
Sorry baby I don't push a fandom  
White girl got a booty like coco  
But nigga gotta get it in a four touch  
Then I gotta hit her with the cannon  
Real strong Bruce Banner  
I know you love it when I release the D  
Let me see your face when I unleash the bees  
So you can make it clap girl at least for me  
She ain't even puerto rican screaming papi papi  
Ah, girl hit me up, booty for the high  
Love for the love, gon' push me enough  
And I'm in it like lazy  
Just let me down easy

(Hook)

Let me down easy  
Oh your love for me it's gone  
Let me down easy  
Said you feel just you were wrong  
I know you don't love me

(Verse)

To hell with all this fasting  
This shit here is classic  
All the whip she crasted  
All the check she cash in  
But now I'm getting 'bout tired  
Of all of this shit is faker than plastic  
Yeah I'm supposed to feel bad for a hoe  
Nigga, four hoes? fantastic

Now she going off they say  
Now she textin' me lately  
Talking about how she came wait wait  
But Jeremih ain't giving no date day  
This is wrong part one I'm on  
'Cause testimony's mayday  
Now for one of them many don't tease me  
Don't please me, just let me down easy

(Hook)  
Let me down easy  
Oh your love for me it's gone  
Let me down easy  
Said you feel just you were wrong  
I know you don't love me
