Let me be your stimulation
I could be your occupation
Work you like a 9 to 5
Plus put it that over time
Careful what you do to me
Girl everything I do to you
Hope that you do for me
And when the lights low
Pop a bottle of the Goose please
Twist up a couple of the loose leaves, Seduce me

Girl welcome to my bed
Come here
You thought it would be easy-sy-sy-sy

Sexy I should get to know
Been thinking lately girl we can get more physical
Won't you call 773, 779, LOVE
Tonight them draws is all I need
Falling off of your body
Won't you call 773, 779, LOVE

Better now than even later
Let me be your innovator
Feels so right when I'm right with you
They lying if you not the truth
Miss costar lets proceed
You got that fire that third degree
Yo, this is how it's suppose to be
And when the lights low
Pop a bottle of the Goose please
Twist up a couple of the loose leaves, Seduce me, and

Welcome to my bed
Baby won't you come here yeah
You thought it would be easy-sy-sy-sy

Sexy I should get to know you
Been thinking lately girl we can get more physical
Won't you call 773, 779, LOVE
Tonight them draws is all I need

Falling off of your body
Won't you call 773, 779, LOVE

Okay girl I'm not him put it down, down
Okay girl I'm not him put it down, down
Okay girl I'm not him put it down, down
'Cause I know yous a lil freak, Let it out, out

Sexy I should get to know you
Been thinking lately girl we can get more physical
Won't you call 773, 779, LOVE
