If he's your number one and he's your everything
why wont you pick up the phone when i call girl talk to
me
you know you wanna play with a nigga
ill fly you out to spend a day with a nigga first flight
first seat in
first class first paiges epis first birkin bag im straight
king
so you'll be fit for a king
so when we step out on the scene its Alexander
McQueen
this is a ghetto fairy tale ill be your knight in shining
armor
in retro Jordans Gazelles and a leather bomber
bright lights city lights if i show you around new york a
bit
from hot dogs and pretzels to the expensive shit
girl we can shop to my nick name sets
fifth Madison ain't my friend
baby i stack chips, smile, my cellphone
to capture the moment when your emotions start to
shift
imma just shoot that over
your brown eyes them chocolate thighs
make wanna sing good lord is this Adam and Eve
happening again?
You can get it all day all night twist it up get right
let me know if your with it Cush in my hood so good
roll it up backward,
cant wait to let you in it, now your in my world, now your
in my world!

planet (planet) 50 (50)
listen shorty this is my forplay without the touching
you can say its my fourtay i feel you coming
mind sex i make you wanna take your clothes
off yep twenty twenty go babans i'm feeling that
consent
i want the best now can you be the best for me
can my vision and your ambition make perfect recipe
lets take a walk on the wild side

and chat till your body language says
boy come get this cat on my mind ten times
I've done took off your clothes off your
thinking what im thinking let me know its a go
i'm a gambling man talking about life not dicing and I
look in your eye says its going down tonight
you can show me what you're into as i get into
kissing licking switching positions
acting like a nympho round after round
ill show you how i put it down jet set mile high club in
the clouds
You can get it all day all night twist it up get right
let me know if you're with it Cush in my hood
so good roll it up backward, now you're in my world
now you're in my world! planet (planet) 50 (50
