RIP, I just killed the pussy  
She told all her friends how I did the pussy  
I didn't even have to eat the pussy  
I overheard her man's a pussy  
So I RIP-ed, RIP-ed, RIP-ed, RIP-ed, RIP-ed, RIP-ed, RIP-  
ed, RIP-ed

RIP, I just killed the pussy  
Now she told all her friends how I did the pussy  
I just say 'what it is?' to pussy  
Plus you know her man's a pussy

Plus you know my pockets lean  
Plus you know mine all in gold  
Honestly, I wanna let her see it  
I just know she wanna take it low  
Bet she saw me up at Blast Off  
I bet she's never, ever seen these  
Just a young boy tryina meet the whole world  
Shout out Mr. Fendi  
Riding down that block there  
With two freaks, two freaks they got  
Ros? for them, Dom P?rignon for me  
These new bombs ain't stupid nasty, though  
Balenciagas on my feet  
When it come to D, I'm putting on  
Lebron James in these streets  
Let me banging on 'em, banging on 'em  
I'm two balling when I'm hanging on 'em  
My songs, y'all sing over and over  
And over, I ain't no stranger, homie  
Let that money roll up  
'Cause y'all niggas ain't getting it  
In the bathroom, back of the club  
And y'all thought I was shitting in it

But RIP, I just killed the pussy  
Now she told all her friends, yeah, how I did the pussy  
Her man's over there hating, go give that man some  
pussy  
Girl, I overheard her man's a pussy

So I RIP-ed, RIP-ed, RIP-ed, RIP-ed, RIP-ed, RIP-ed, RIP-  
ed, RIP-ed  
RIP, I just killed the pussy  
Now she told all her friends how I did the pussy  
I just say 'what it is?' to pussy  
Plus you know her man's a pussy

Got her moaning like uuh  
Singing my songs like uuh  
You know that when that moment right she uuh  
So far from the prototype  
Solve you right  
Is this what you on?  
I'm on that, too  
Is this what you on?  
'Cause girl, I'm tryina be with you  
I'm on that, too  
I'm on that  
Baby, I'm the gravedigger  
I'm on that, too  
Climb on that  
Won't you let me deliver?

RIP, I just killed the pussy  
Now she told all her friends, yeah, how I did the pussy  
Her man's over there hating, go give that man some  
pussy  
Girl, I overheard her man's a pussy  
So I RIP-ed, RIP-ed, RIP-ed, RIP-ed, RIP-ed, RIP-ed, RIP-  
ed, RIP-ed  
RIP, I just killed the pussy  
Now she told all her friends how I did the pussy  
I just say 'what it is?' to pussy  
Plus you know her man's a pussy
