(Oh, oh...)

Are you ready 4 this?

I know I gotcha waitin' (oh, oh...)

HaHa! I betch U didn't see this one comin'! (oh, oh...)

Jeremy featuring Angelika!

(Oh, oh)

Is there a problem? I just can't stay at home alone

I need my ladies to put their lethal dresses on

We're gonna hang out with the partying kind

We're gonna have some fun (that's right)!

U got it girl, get ready, feel and breathe the rhythm

The beat goes wild, so crazy, I'm the rush U're thinkin'

Come on girl, just bring it on, I'm gettin' closer

Yeah celebrate, tonight U're all I ever wanted

(Oh, oh) So hot, U're burnin' up the dancefloor

(Oh, oh) Now shake it up, I'll make U wonder

(Oh, oh) Your body's sweatin' to the music

(Oh, oh) Oh boy, I'm luv'in' whatcha doin'

I know U want me to play (oh, oh...)

Sexy! Let me show U what I got in mind... (oh, oh...)

Now, that's what I'm talkin' about!

(Oh, oh)

Is there a problem? I need some time just for myself

I am relaxing, shaking the stress out of my brain

We're gonna hang out with the partying kind

We're gonna have some fun (that's right)!

U got it girl, just gimme, freakin' hot addiction

The party's wild, so crazy, now U got me crushin'

Come on girl, just turn me on and feel the fire

Yeah celebrate, tonight I'm all U ever wanted

(Oh, oh) So hot, U're burnin' up the dancefloor

(Oh, oh) Now shake it up, I'll make U wonder

(Oh, oh) Your body's sweatin' to the music

(Oh, oh) Oh boy, I'm luv'in' whatcha doin'

U're burnin' up, I'm burnin' up...  
U're burnin' up, U're burnin' up (oh, oh...)  
U're burnin' up, I'm burnin' up...  
U, U, U...  
U're burnin' up, I'm burnin' up...  
U're burnin' up, U're burnin' up (oh, oh...)  
U're burnin' up, I'm burnin' up...  
U, U, U...
