Behold dark February, the birds began to sing a song  
so cold (so cold)  
Now I'm wondering if you hear me, as the spring-time  
grows the final blade of hope (well I hope)  
All the so cold signs say it's over, though I reach out for  
tomorrow (ow)  
A shadow of doubt gliding over, still I remain your  
soldier

Can you hear me, I'm in charge and I won't let no men  
nor God,  
Tell me that it's that time for you and I to say goodbye  
Oh no, it's not ok, that I'll never see you again,  
They say that you'll go numb, so tell me why I feel  
undone (done, done, done)

Drowned in April showers, look outside but nothing's  
come to bloom (oh no)  
With a smile so legendary, and a heart to match I know  
they're misconstrued, and you do to (oh! )

Can you hear me, I'm in charge and I won't let no men  
nor God,  
Tell me that it's that time for you and I to say goodby-i-  
y-i-ye  
Oh no, it's not ok, that I'll never see you again,  
They say that you'll go numb, so tell me why I feel  
undone

Undone, undone... oh...  
When there's nothing left to rely on, not a pillow or a  
shoulder.  
All you have is time to give, so I remain defiant (oh,  
ooh, ooooooh, oh! )

Can you hear me, I'm in charge and I won't let no men  
nor God,  
Tell me that it's that time for you and I to say goodbye  
Oh no, it's not ok, that I'll never see you again,  
They say that you'll go numb, so tell me why I feel...

Can you hear me, I'm in charge and I won't let no men  
nor God,  
Tell me that it's that time for you and I to say goodbye  
Oh no, it's not ok, that I'll never see you again,  
They say that you'll go numb, so tell me why I feel  
undone!
