I don't want
To mess this up
I don't want
To break your heart
Cause
You'd break your back

I don't want
To call this off
I don't want
To leave like this
And reminisce

So i'll make
Absolutely sure
That i've got you
And you'll make
Absolutly sure
That you've got me

Yesterday i made a wish
That i could keep you
By my side
For the rest of time
So today i tell you this
I want to keep you

By my side
For the rest of time

And i'm absolutely sure
That i love you
And you're sure
That you love me

And i saw a shooting star
So i made my wish
And i can feel the magic each
And every time we kiss
Yeah, i saw a shooting start
So i made my wish
And i could never

Get enough of this

And i'm absolutely sure
That i love you
And you're sure
That you love me
