Wrote a letter from myself
Keep in mind that I'm down on my luck, down on my
luck
And I'm lookin for someone to spot some change.
All I need is a couple of bucks and I'll be on my way,
You'll be on your way,
And we'll be friends again if we ever run across

So I'm here, so I'm there, so I'm everywhere
Wonderin when I'm gonna be, but I'm never gonna be,
Never gonna see my heartbeat

Wrote a letter from myself
Keep in mind that I'm down on my luck, down on my
luck
And I'm wondering when I'm gonna see my name
So I'll spot it, so we'll make it, so we'll take a chance,
So we'll make it so we'll start it,
So we'll make a dance for me, for you, for us, for life

Wrote a letter to myself
Keep in mind that I'm down on my luck, down on my
luck,
And I'm waiting for my heart to spot some change for
me
So give me a chance, give me a chance
So give me a chance, just give me a chance

And watch my heart beat, and watch my heart beat
And watch my heart break in two
And watch my heart beat, and watch my heart beat

And watch my heart break in two

Wrote a letter from myself
Keep in mind that I'm down on my luck, down on my
luck
And I'm waiting for some kind to spot some change
Don't forget, I'm talking to myself,
I sometimes think that I'm someone else,
Or something, or someone I wanna be

So give me a chance, give me a chance
So give me a chance, just give me a chance

And watch my heart beat, and watch my heart beat
And watch my heart break in two
And watch my heart beat, and watch my heart beat
And watch my heart break in two
And watch my heart beat, and watch my heart beat
And watch my heart break in two
And watch my heart beat, and watch my heart beat
And watch my heart break in two
And watch my heart beat, and watch my heart beat
And watch my heart break in two
And watch my heart beat, and watch my heart beat
And watch my heart break in two
And watch my heart beat, and watch my heart beat
And watch my heart break in two
