One last time
One more night
One more fight
Against myself
One more lie
I tell myself
I'll be ok
Just one more day
One more time
To feel my fall
One more time
Reject your call

And I know
I'm gonna hurt again
And i'm feeling
Like i'm used to it
But i'm never
Really used to it

And I know
And you know
That i'll never be ok
As long
As I still say
I'm doing fine
And I see
And you see
That everytime I lie
I'm farther
From alright
And i'm not fine

Here I am
Here I stand
In between

Something so right
But still
I try to fight
Who I am
Who I should be

And i'm finally
Speaking honest
Honestly to me

And I know
I'm gonna hurt again
But i'll be strong
Enough to stand
Yeah, I know
I'm gonna hurt again

And I know
And you know
That i'll never be ok
As long
As I still say
I'm doing fine
And I see
And you see
That everytime I lie
I'm farther
From alright
And i'm not fine

One last time
One more night
And tonight
I found myself
Yeah, tonight
I found myself
