[Chorus:]

If it's a letter
You want
I'll write it now
If it's a song
I'll sing it loud
If it's attention
I'll be around
And if it's space
You need
I'll fly to the moon
Hoping to come back
And rescue you
But that's only
If you want me

Monday morning
Monday morning
And i'm thinking
All about you
Monday afternoon
It's the same old thing
Monday evening
Monday evening
And i really
Need to see you

But you're afraid
Of something different
I'm afraid
This could be perfect
[Chorus]

Now i'm hoping you love me
And i'm thinking it
Might be my turn
I think you're perfect
Almost perfect
And maybe i might love you

Don't be afraid
Of something different

I think
This might be perfect

[Chorus]

Would you let me take you
Away from here tonight
And i just
Wanna lay by your side
Don't you be afraid
You know
I'll love you forever

And though
It might sound crazy
But would you be my baby?

[Chorus 2x]

If you want me too
